

The Our Families programme introduces students to important aspects of the everyday responsibilities of families. Through the activities they begin to understand how people work together to buy things they need and want. Students are taught about what the needs and wants of a family are and experience the choices that families must make.

## Session 1: Family members

Meeting the YE families.

Finding out about different jobs.

Thinking about what a family is

## Session 2: Jobs of family members

Finding out about different jobs that people do.

Thinking about the tools people need to do their jobs.

Thinking about the job they would like to do.

## Session 3: Needs and Wants

Learning about needs and wants and identifying needs and wants for a family.

Deciding on what a family would need if they were on a desert island.

## Session 4: Budgeting

Thinking about how families pay for things they need and want.

Deciding on how to spend the Moore family money.

How to save for things you want.
